The Premises:

Very nice, clean apartment overlooking St Martins Wharf. Plenty of parking close by.

The Lady:

Bernice is fairly short, with a mediterranean look that was simply gorgeous. Dark hair, dark eyes and a great body, one I could spent many hours enjoying.

The Story:

From the moment I walked in, Bernice was welcoming, warm and friendly, putting me instantly at my ease. Her body is gorgeous and I couldn't wait to play with it. After a nice relaxing massage, she put her considerable oral skills to work, and it wasn't long before the sight of her playing with her pussy with a vibrator while sucking my cock for all it was worth made me explode in her mouth. I'll be booking a hour next time as 30 minutes just isn't long enough to spend with Bernice.
