The Premises:

Nice studio flat, conveniently located near Marylebone tube station. However, rather noisy with the traffic outside.

The Lady:

Photos are relatively accurate, but do not reflect her true age. Although most Thai ladies look younger than they are and are usually late twenties to early thirties, I suspect that she is in her late thirties.

The Story:

Andrea was very welcoming and we sorted out the usual pleasantries. She offered me a shower which I took but turned down the offer to join me (so no assisted shower as described on the website).

She offers a relatively plain vanilla service. There was OWO and CIM, however, kissing was without tongue, which was disappointing, and there was no A-Level. However, the annoying thing was that she kept on getting calls and text messages. She did not answer the calls but she did break off several times to read her texts which was mildly distracting.

Overall, it was a very ordinary experience. She was friendly and polite, however, the mobile and the lack of DFK/KWT means that I will not return.
