The Story:

Found this girl on Vivastreet she is also on AW. I have now seen her 8 times in past 3 months she is that good. She really is as beautiful as the pictures on the internet and always welcome me with a smile although I am much older than she. Her kissing is fantastic and she really gets into the love making in a big way. OWO if you are clean but no CIM (shame). I want to keep her to myself but she needs more business she tells me. Please be kind to her she is a lovely young girl.
