The Premises:

Smart new flat in town centre with good on street parking. Apartment was spotlessly clean with crisp fresh sheets on the bed and an immaculate bathroom.

The Lady:

Cute! Elouise is tiny but perfect in every way (and all natural).

The Story:

Elouise greeted me at the door in a cardigan over sexy black basque and knickers....she was cold. Strangely after having met too many over eager would be porn stars I found her relaxed approach to be just right. She had a giggle about the cardigan and quickly ditched it when we reached the bedroom. Lovely gentle massage and very nearly too good OWO followed by great sex. Elouise is very pretty, very small and perfectly formed. You may not get a lot of girl for your money but what she lacks in quantity she makes up for in quality. A great GFE that I hope to repeat.
