The Lady:

2 ladies, both indian. Both good looking. Though they were fully clothed.

The Story:

Not sure how this place hasn't had anything written about it yet. They offered me a 4 hand massage for an hour, which included a happy ending and an assisted bath (one girl showers you after you have finished (though she remains clothed still)

A professional 4 hand massage is something everyone should indulge in, and the happy ending at the end was amazing.

Definitely treat yourself. (sorry I can't remember both girls names)
