The Lady:

There were four girls engrossed in the TV (international gymnastics) and not very talkative. After a cup of tea I opened up conversation, and selected Cloe. Of all the girls there, she wasn't the prettiest or the most forthcoming, but I sensed she had special qualities.

The Story:

Cloe is 22, English, has had a girls' school education. She has shortish dark hair, a great body (ex dancer) and a very neat pussy. Cloe was hesitant at first, looking for a lead, but turned out to be skilled and knowledgeable in all areas; she had a supply of vibrators in her bag. We did practically everything in the book. She giggles and chats, and I could easily have spent all afternoon in her company.

Cloe, if you are reading this, you are simply the best.
