The Story:

I have previously booked and enjoyed other girls from same agency, so was looking forward to 2 hours of fun, but unfortunately on this occasion was extremely disappointed. Whilst I accept that you are paying for the escorts time only and that anything else that occurs is between 2 consenting adults, the website does state that a GFE is offered. After the booking as made it was confirmed and I was told to enjoy myself. Conversation was very difficult, just short answers and had to lead on all topics. Extremely unresponsive to any physical contact and kept going to the toilet and on at least one occasion was reading/sending texts on mobile. I can,t go into details as to what happened when we eventually went to the bedroom as nothing really happened and I was made to feel that had I tried to attempt any form of physical activity this would have been rebuked. Clock watched and with ten minutes left got dressed and left. I would recommend the agency, as have had previous excellent bookings, but would not recommend this particular escort.
