### The Premises:

O.K. from the outside. The area is quite good and I was able to park in the driveway of the Lady's house. Felt very safe and secure. Inside the bedroom and bathroom were very clean. I was offered a shower but, as I had just showered before I left home, I did not take up the offer

### The Lady:

On her profile her face is not shown. In point of fact I thought she was absolutely beautiful. She was fairly tall (about 5 feet 8 I think). She had a fantastic figure which simply took my breath away. All her curves were in the right places. Lovely blonde hair, face beautifully made up but not overdone. I am not good at guessing a Lady's age but I would estimate that she is in her mid 20@s One of the most beautiful escorts I have ever seen.

### The Story:

Katie is Polish but speaks perfect English with a sexy accent. She gave me good directions to her house and greeted me very warmly when I arrived. We discussed her likes & dislikes (not many of those!!). What followed during the next 60 minutes is something I will always remember. I told her that I liked passionate kissing and she gave me that and a lot more. OWO was provided by Katie and it must be the best I have ever had. She liked her lovely breasts to be kissed and I really enjoyed that. Next RO which, once again, I think she enjoyed too (she did say however "no fingers" which I respected). After this she applied the condom and we had sex with her on top. At my request she finished me off with a hand job - again performed beautifully. I then managed to CIM. On her profile she says that she charges an extra ?20 for that. However, when I offered her the additional ?20 she declined my offer. We finished up with more kissing and a lovely cuddle. Katie is a very warm and delightful person and was excellent company. Please treat her with respect; she certainly deserves it. I find it difficult to realise that this is her very first punternet report. I think I have found the perfect escort and can only hope that she is around for some time to come. I can't wait for my next meeting with this lovely Lady.
