The Premises:

Discreet flat on the main road, I was given the address by text and i had to call for the flat number. Pity they didn't mention that the flat was near the top, so i advise the lift for others. She shares the flat with others, but not sure with whom.

The Lady:

Apparently she has only started a few weeks ago. Her pictures on the website don't do her justice, she looks better in real life, slightly darker in complexion. Size 6, 36c and 5ft 3. Long soft wavy hair and very attractive.

The Story:

After a disappointing punt in the afternoon, i was a bit weary about trying someone else, but i'm glad i persisted. On arrival, Emily opened the door and lead me to her bedroom, she was wearing a tight black dress, which she took off after i gave her the money. We had a wonderful shower together, plenty of touching and washing the right parts, then back to the bedroom. OWO, my favourite, plenty of eye contact, then cowgirl. To look at a young sexy face riding me with a nice tight pussy, was too much for me, and i came inside her. We spent the rest of our time in each others arms, with gentle kissing, a true GFE. A perfect way to spend a sunday night.

When i'm in london again, i will definitely see Emily again. Very soon!!!
