Cosy flat with lift access via foyer. Restricted (residents only) private parking.

The Lady:

Quite pretty African woman. Her enhanced boobs and tiny nipples look out of proportion to the rest of her body which is quite trim. Nice eyes and pleasant smile.

The Story:

Gina rearranged our appointment twice beforehand. First to bring it forward an hour then to put it back an hour and a half. She kept me waiting for 10 minutes at the main entrance and for several minutes outside her flat. When she appeared at the door she was in conversation on the phone. She broke off that conversation only to demand that I remove my shoes at the door before resuming her phone conversation. After further delays we eventually made it to the bedroom. We then got into some OWO, CIM and finished with a massage. I must say though that her performance was lacklustre and I finished up leaving before my time. She asked me to join another WebSite so that I could give her FB and a FR, even suggested that I triple book her in order to boost her ratings more.
