The Premises:

This place is clean and tidy and the madam is always friendly and welcoming. After entering via a slightly conspicuous gate down the side of another property (you feel like you stick out like a sore thumb and think all the neighbours know exactly what you're up to).

The Lady:

Sold as in her mid 20's, she was more like late 30's' Lovely little body - just a shame i didnt get to see it - she didnt take her basque style top off.

The Story:

The room used is directly next to the room used by the madam who takes the calls (which can be overheard and are quite off putting). I also didnt really appreciate listening to the adverts on a radio playing in my room while a silent adult dvd had been put on. I would have been happy for volume on the DVD!!!! She seemed very inexperienced and did absolutely nothing for me. Zero eye contact and was just going through the (very poor) motions. An absolute waste of time and money. WILL NOT BE RETURNING!!
