### The Story:

I've been to Indian Palace a few times now and have had some lovely experiences there. Having seen Shakira a couple of times now, I decided to write a report. She adds to my list of sexy Indian ladies this place has to offer. She might not be everyone's cup of tea, but I found her pretty, very pleasant to be around and I had no complaints about the service she gave me. Her website pictures do look like her. She is a slim leggy lady with lovely big brown eyes and long black hair. Hard to pinpoint her exact age, but I would say she is around mid twenties. On both occasions I have seen her, she has always been made up and opens the door herself. All the ladies at Indian Palace seem to wear a standard outfit which I imagine is their new uniform. The ladies on that day had the same standard massage looking outfit on. Personally, I find this incredible sexy as it makes me wonder more what is underneath. I felt a bit naughtier then usually as I was undressing her and taking off her massage uniform which revealed sexy & lacy underwear underneath. I opted for 1 hour, which included Shakira dominating me at my request. I requested domination again with Shakira after seeing her the first time as I have to say she does that magnificently! She had me eating out of the palm of her hand. After taking a whipping and letting sexy Mistress Shakira dominate me, I finished the hour with a sexy, slow hand job. After squirting my stresses away I had a nice relaxing massage to end a great hour.
