The Premises:

For this appointment Alicia was using a large room in an apartment block halfway between Marble Arch and Edgware Road tube stations. The actual room was a bit tricky to find, lots of corridors, I needed to ask the concierge for directions. Other than that, felt safe and anonymous. This wasn't Alicia's usual place, she has a flat further up Edgware road..

The Lady:

Alicia is an incredibly pretty Bulgarian lady. Absolutely stunning. Reminded me very much of a young Cindy Crawford the super model.

When I arrived Alicia hair was still damp from having a shower, this just added to her appeal.

Smooth skin and perfect curves. Yep I liked her a lot.....

The Story:

As I mentioned, this was not Alicia's usual flat, only using it for this meeting. It was Sandy's place, another girl from the agency, and she was also there. Even though my appointment was with Alicia both girls immediately made me feel welcome and comfortable, I knew I was going to have fun.

I'm not one to give away too many details, other than to say that Alicia was fun to be with, has an incredible body and sweet attitude. Not always spontaneous, needed to be prompted a few times but great fun.

I should also mention Alicia's temporary room, although it wasn't too small, it was only one room, only a curtain divided the 'living room' from the 'bedroom'. With Sindy next door it should have been a little off-putting, embarrassing, but I actually found it exciting, especially when Sindy popped into the bedroom area a couple of times to get some cigarettes. OK, we were only enjoying halftime cuddles, but Sindy gave a cheeky smile. I only wish she had joined the fun. Maybe another time.

I really enjoyed this meeting, it was just such silly sexy fun. Not only will I recommend Alicia, I will add Sindy to my list, she just had such a wonderful 'spark'..
