The Premises:

Nice little bedsit, close to Hyde Park. Buzzer entrance, noticed plenty of parking nearby, but I was on the train so didn't matter for me.

The Lady:

5ft 5ish, I think? (we were lay down for most of the time, so didn't really notice) Cuter than in the pictures.

The Story:

Definite 10/10 for level of service!

A really down to earth, hot girl. Very enthusiastic & all services offered, lots of oral (both ways) protected (obviously & should be) sex. Easy to talk to & not a clock watcher at all;

I ended up staying for around half an hour longer chatting & drinking & when I did have to leave for to get the train home Lorena was dragging me back onto the bed kissing & trying to get my pants off again!

I wish I didn't have to leave as I could have easily spent the rest of the evening with her.

Highly recommended this one chaps!
