Proper Rock Chick , mid 30s i would say ,black hair , Tattos , great ass , decent boobs and a really dirty look about her.

The Story:

If you are looking for girlfriend experience then shes probably not the one for you . But if your looking for a dirty looking bitch to fuck and suck you then you wont go wrong with her .Great handjob , bj and fuck all with attitude and rock music in background. You really have to try and hold back with this one as she does get you so excited .

Will definitley be back .
