### The Premises:

Very clean and smart flat above shop in high street. Newly refurbished with shower facilities which you are encouraged to use. Safe with free parking around the corner. A dedicated room for the massage with soft lighting, candles and professional massage table. Perfect.

### The Lady:

Catherina is gorgeous and very sexy. Born in Latvia and speaks very good english. Her pictures are accurate but I have to say even more beautiful and exotic when you meet her.

Long dark hair and when she removed her clothes for the b2b massage I was blown away.

Catherina has a body any girl would envy and men lust after - fit, toned, shapely with the most perfect skin. In a word perfection.

### The Story:

The best massage ever. I opted for the b2b massage and spent an hour of bliss. This is a professional massage but with additional sensual strokes and body to body contact.

Don't ask or expect escort services. They are not on offer and will offend. If you respect these boundaries you will experience a mind blowing session. I did :)

Catherina did not hurry the session and I felt she really takes a pride in her work. I will definitely be back. Thanks Catherina.
