The Story:

I got at the party a little late, but was welcomed in by all who were there, the usual routine, shower and robe, went into the main bedroom to find the lovely sam getting ramed in all holes from every angle, while Felicity was deep throating off a guy and a guy raming her from behind, in the other room was the 1 girl that got me hooked for days, Amanda was fucked silly by a guy and a cock in mouth I couldn't hold back anymore and very quickly joined in my cock went straight in her mouth she was sucking both of us at the same time, soon as I got a chance and clearance from Amanda I slipped on a rubber carried between her sexy lags soon as the other guy pulled out, this was better than a porno I ever watched. very happily shot my load right into her.

After a well deserved break for the lovely ladies all went upstairs to restart a huge orgy with Felicity Sam Amanda and all of us ten guys , sam was just getting knotted from everywhere , she really is a star performer and great party girl with a great warm welcoming personality, I hope to meet her again, Amanda sucking every cock that cum her way and never pushed anyone away, 5star babe, Felicity again lying on the bed with cock in her mouth from the top, I found my invite got some lube on and spreaded her sexy legs ,she really got a pounding and I know she was loving it, she grabbed onto me and pushed my cock deeper into her and with that I pulled of the rubber and cum all over tits and face , wow , wow , wow, My second party with gentlemen, all the guys were really good company and the girls were the stars , great party, I will go again.
