The apartment is in quite a busy area of Kensington but once inside felt very at ease. The apartment is a loft style apartment, very clean, very spacious and well presented.

The Lady:

Natsumi is fantastic, great body, beautiful soft skin. She is very kind hearted and made me feel really special. Amazing smile very petite. To sum her up she is a cute tiny sexy girl with an award winning smile

The Story:

I was looking for a very girl next door type of asian escort and was blown away by Natsumis pictures on the website. Very sweet very attractive, a lovely smile she looked really friendly. Was not dissapointed she really offered a relaxed and genuine time. So soft to the touch and very genuine i felt we really had a great connection. Massage was great as well as all the other services
