The Story:

Angela arrived 5 minutes early. We sat and had a glass of wine and retired to my bedroom. Two hours later she had worn me out. We got undressed and she started by giving me a gentle rub, before she lowered her mouth onto my nipples and licked, and sucked them. I was now stiff as this is the one thing that gets me aroused quicker than anything else. She continued with the kissing and caressing down to my dick, where she continued the caressing, never taking me in her mouth. She 'bagged' me and I lay then for what seemed an eternity while she sucked me. I had to ask her to slow down, not because she was going quickly because I was going to explode. She carried on taking me in hand and she turned onto her back and started playing with her large cupped breasts. She released me and started playing with herself. I was ecstatic and crawled on top of to finish off round one. I had already booked Anal with her and I had recovered and had another glass of wine, we continued, again starting with her mouth on me, me returning the favour in 69. She certainly enjoyed that. She cums noisily, so be warned. After a while, she crawled onto all fours I started with a gentle tonguing of her pussy, and then rimmed her, before slowly pushing my dick into her bum. You could see her breasts swinging as I pushed myself home. I exploded once more. Excellent service. Am seeing her again next week.
