The Premises:

A clean, tidy terraced house in a nice safe area. I walked from the Railway Station so I can't comment in parking.

The Lady:

Louisa is an attractive, curvy redhead.

The Story:

After a chat downstairs to discuss what I was looking for we went up stairs. Starting with a relaxing baby oil massage. Followed by unprotected oral sex and protected vaginal sex in three positions, missionary, cowgirl and from behind as well as tit fuck and then I spanked her. Overall a very enjoyable experience well worth the money.
