### The Premises:

A boutique hotel in central Manchester's Northern Quarter. Handy car parking nearby and area felt safe

### The Lady:

Late 30's in age, very fit and slim with nice legs, enhanced 30G boobs. About 5'6" tall, striking blue eyes and short, very dark hair styled in a distinctive short bob. Lovely smile, very chatty and friendly, great company to be with.

### The Story:

Was met at the door of her room by Dexi wearing the dress which I'd requested, plus 5" heels and hold up stockings. Perfed! Went into the lounge/kitchen area at first for a drink, then I went for a quick shower and met up again with Dexi in the bedroom.

Dexi kisses very well and can (apparently) provide all sorts of experiences for you, having also done dom work in the past. I'm happy with a friendly girlfriend experience, and that is what I got. Lots of kisses and cuddles, mutual stroking, excellent oral and she enjoys receiving oral very much! Sex in cowgirl and a lovely oily hand job to finish.

Had another quick shower and was never rushed at any point. Left with a big smile on my face and yes, I will return.
