The Story:

Spent a great hour with Nicole and her wonderful breasts .. wish it could have been more but funds and time dictate otherwise... started with a great shared bath where she gave great attention to me all over.. and has a great trick letting the water flow out to just the right level to take full length in her mouth .. then onto the bedroom where I pretty much exploded after being warmed up by the antics in the bath. A nice massage before round two when another great BBJ brought me back to life and led to doggie .. slipped out of one and into the other. What a great hour with a great girl .. always smiling and pleasant to chat to .. I left exhausted and just about made it downstairs for a well deserved pint across the road.
