The Premises:

A central London hotel room being used by Sophie, another Allure escort. Nice and modern and enough room for a naughty 2-guy, 2-girl booking. My friend spent most of his time with the very sweet and innocent looking Sophie, while I spent more time with Beth, so the rest of the review is mainly about Beth.

The Lady:

Medium height with long dark hair, a lovely fit-but-curvy body, plenty of brightly coloured tattoos and a very naughty-looking smile.

The Story:

Just a fantastic afternoon of sexual shenanigans punctuated by some pauses for breath and chat. We all got on well and I warmed to Beth immediately - she just looks like she wants to be naughty and I wanted to let her. Her oral technique was great, every time she got me rock hard, taking me deep with lots of licking and eye contact. Then there was the sex, lots of French kissing interspersed with long bouts of really physical action in most positions, including some deep slow anal. Towards the end we were 69ing really vigourously and it wasn't long after that before I exploded (for the 3rd time) and she took it all in her mouth - the cat certainly got the cream. Wonderful!
