The Premises:

The Pump Club @ The Ambassadors is well reported. Easy to find, discreet rear entrance with nice sized rooms.

The Lady:

There's something really sexy about a girl in glasses, and Autumn carries this look with grace and elegance. Pics on the website are very accurate, though she actually looks better in person (if thats possible)

The Story:

Autumn has always been on my list of girls to visit, but I never had the opportunity previously. And the wait was completely worth it.

After the briefest of introductions, she stuck her tongue in mouth. During this awe inspiring DKF, she got rid of mine, and her, clothes in no time at all. As usual, I won't go into detail, but it was an energetic and incredibly satisfying experience.

I can thoroughly recommend spending some quality time this red-haired vixen. Autumn is a bad girl, in the best way.
