The Premises:

Just off Upper Street, discreet entrance. The place isn't fancy but is clean and nice.

The Lady:

Shoulder length black hair, very pretty face, very busty as well. Little bit of weight on her, but overall very very sexy. Apparently her first day at this establishment and seemed a little nervous, but very welcoming.

The Story:

I've been to Crystal Girls several times, and had varying experiences. I'd have to say Kitty may have been the best time I have ever had there, absolutely amazing. She stripped me off, kissed me all over, gave me 15 minutes of some of the best OWO I have ever had. Put on a condom and went for some very good doggystyle during which I couldn't last for long, not usually a problem for me, but with her I just couldn't hold back. The sex was so good that the kisses on my chest afterwards tingled for ages, I was that excited. Then spent the rest of the time kissing, chatting and rolling around in bed. Even as I was walking out of the door this girl was giving me the impression she wanted nothing more than to be in bed with me. Very sexy girl, and spectacular in bed.
