The Story:

Started off well enough. Some hugging and kissing but her breath was awful, probably because it was late. It wouldn't hurt to use some mouthwash between clients. Got right to it and the action was ok, however the lady put no effort in which did not resemble the GFE experience I pa Extra for. Also very tempermental when giving light spansks or asking fortain things. Pushed me away when trying to go deeper to finish up.

All in all a so so punt but I wont be returning soon.
