The Premises:

Well known establishment in Anerley. Clean and tidy, nice big circular bed.

The Lady:

Mid-20s, slim, red hair (hence the name I guess!). Pretty, girl-next-door looks, nice natural boobs and pert bum. Lovely soft skin with a couple of discreet tattoos on the back of her neck.

The Story:

Autumn is chatty and quite funny, she put me at my ease straightaway. We started with some lovely french kissing standing up whilst she was nude before she laid me down on the bed. She sucked me expertly to get me hard and had no problem taking my whole length. She then rubbered me up with her mouth (her party trick apparently!) and climbed aboard. She's very fit and flexible and put herself into all sorts of positions for my pleasure. We finished vigorously in doggy with her pushing herself back onto me. We spent the last few minutes cuddling and having a chat. A great punt with a lovely girl who's eager to please.
