The Premises:

Smart-looking terrace house in upmarket part of London, within reasonable walking distance of two Cineworlds - handy if you have an Unlimited card.

The Lady:

Slim, pretty young woman with gorgeous long, dark hair and long legs - looked incredible in fishnet holdups and heels.

The Story:

Izabel had been on my "wishlist" for some time so I was very pleased to finally find the time for an appointment.

Great combination of model looks and girl-next-door friendliness, DFK was immediate and full-on. Seductive and charming with the Eastern European accent, great OWO skills and with a shaved pussy happy to receive RO. We started with mish and I held out until doggie, making good use of the mirrors in the room to enjoy the sight of Izabel's wonderful physique from all angles. Received a massage afterwards along with some friendly banter before a hot shower in the ensuite.

The whole encounter felt so natural as a GFE that I almost forgot it was a business affair, we didn't get around to sorting out the finances until it was time to go.

A seriously hot and passionate young lady, giving exceptional service to leave you wanting more.
