### The Premises:

Place is fine. We used a bedroom within a basement flat.

### The Lady:

Sonia is pretty, in particular she has amazing natural breast. The pictures make her look sweeter than what she is though. Her hips also seemed slimer in the pictures. She uses several other names, like eg Aim?e, in other agencies.

### The Story:

Kensington Babes, the agency, gave an incomplete address and they were not reachable by phone for 25 minutes. I eventually made it and, to her credit, Sonia accepted it reasonably well.

Unfortunately, Sonia tends to be too impatient (she can't stick to one specific activity, like eg blow job, for more than a couple of minutes) and she does not make you feel at ease. She is fairly mechanical and she does not seem to feel much nor to care how one feels. It's a pity because she has potentially many assets and she could be reasonably friendly.
