The Premises:

Basement flat near Warren Street. Easy to find, completely discreet. The girls here all work either here or the flat near Heathrow, which I haven't been to yet.

The Lady:

Exactly as her pics on site. Early 20s English girl, very pretty, petite blonde.

The Story:

This was a really good punt. Amy is absolutely stunning, has a great attitude and cracking personality. She gave a proper GFE, loads of DFK, friendly chat and no hint of clockwatching. It was a real treat to be able to fuck a genuine English hottie. My only regret was not being able to last long inside her - may save her for round two or just book longer next time!
