### Details of Service Provider:

### The Premises:

A well reported walk-up. This was on the first floor with a spacious room. More than adequate for the occasion.

### The Lady:

Susie claimed to be a 23-year-old Lithuanian. She is tall with a very slim figure. A small bust, which proved to be sensitive and lovely soft skin. A friendly personality was apparent and conversation was indeed possible. This is a refreshing state, as many girls in the vicinity are losing their linguistic proficiency!

### The Story:

This is now my second visit to this particular establishment and I consider it one of the better venues in the Soho area. Entrance is secure and there is no discernable insecurity issues. The maid and girls here have always been courteous and the facilities more than satisfactory for the purpose.

Susie provided a gentle service and once again, I was surprised by her willingness to remove her clothes without extra charges. I normally prefer bustier girls and ones that are not so slim, but I can not fault the girl for this. Oral was not offered and since I was pressed for time, I did not demur. Susie proved agile enough to be contorted in a few positions, accomplished admirably with her supple physique.

A true, unrushed, friendly girl, who is a certain step upwards from a lot of the girls in the more seedier parts of the region.
