The Lady:

Carmel is a mature woman, I guess in her late thirties. Short dark hair, Scottish; striking me as one of the most professional and best presented, being well-dressed and sparkling with conversation, lovely lilting accent.

The Story:

In the bedroom she quietly took charge; she didn't automatically strip naked as some girls do. Instead she got me naked, on the bed, and proceeded with an exquisite massage of my back and bottom. Then she kissed and cuddled, very tenderly, a great 'Girl-friend Experience', which many girls find hard to do with a complete stranger. I became aroused. Soon she was naked too, and working on my nether regions whilst I attended to her pussy. What a nice pussy; appearing to belong to a much younger woman, pink, neat and responsive. She groaned with pleasure, real pleasure I am sure. Then she practices OWO with no prompting from me, whilst continuing her good work on balls and (oh so erogenous) perineal region. My whole body was responsive to her delicate touch. By now it was time to enter; she produced a condom as if by magic from the air, placed it in her mouth and deftly fitted it to my penis. Then she went into the cowgirl position, her breasts with their long nipples falling into my face. Afterwards she lay next to me, and we talked of intimate things. A truly delightful session with one of Scorpio's most experienced women.
