### The Premises:

Safe, clean, new flat in a leafy suburb of Maidenhead. As you would expect it is also tastefully decorated with comfortable furniture to match. I felt very safe and my car was also in safe surroundings.

### The Lady:

Sacha is tall and elegant with gorgeous blonde hair down to her shoulders. She was dressed in an extremely sexy and provocative outfit which really showed all of her assets off to full effect. I approved immediately and I began to feel the old excitement begin!

### The Story:

Somehow she was in my arms kissing me and I had a glass of wine to hand. We moved into the bedroom in a kind of love haze where, without haste she undressed me and I began taking off those sexy clothes she wore. This took some time since each removal was accompanied by much kissing and fondling. I have to say how sexy her blonde hair is lightly brushing various parts of my anatomy along with her very sexy lips. Now I have to draw a veil over the rest of the proceedings since you can all guess, or better still imagine, what I was up to! Suffice it to say that the whole affair was more than satisfactory, especially the outcome. Then this absolutely gorgeous Lady made me a cup of tea. Just exactly what was required to send me on my way with a big smile.
