The Story:

Oh where to start! I have had good experiences at Black Diamonds (I love african girls) but lately it's been depressing. Tina is nice but not obviously a pro...massage was hard and actually painful (imagine chinese burns), oral was ok but my cock was sore from her putting the condom on, sex was missionary no touching or passion (at least act!), she was tight and dry, pussy was roughly shaven. Finished myself as she crushed my balls (ouch!). Shame, nice girl dreadful, dreadful punt.
