The Lady:

Beautiful lady 5ft 5 with small breasts and slim body

The Story:

That is where the fun stopped. No FK just pecks on lips then onto BJ which was lovely but stayed at bottom of bed so i could not make contact with her. She then got onto cowgirl but had her hand on my cock so i could not penetrate her fully. Then onto mish and the same happened. All this time she kept saying 'i've come i've come come on baby come come. When i did try to finger her pussy felt it jammed with a sponge before she said no fingers. Finished off with a HJ onto her lovely breasts. What a waste of a good body on a girl with a bad attitude towards a punter
