The Story:

This is my most recent encounter and again I was attracted by the pictures on the website (especially the one of her dressed in stockings, gloves and pearls) and despite no reviews I had just received my annual bonus from work so decided to take a chance. I am glad that I did.

From the moment I arrived Melanie looked gorgeous. Dressed very sexily as requested we had some lovely 'getting to know each other' on her sofa and then to bed where Melanie was totally focussed on my needs and showed me a wonderful time.

Melanie has a lovely figure and face and kisses very passionately. She was very sensual throughout our encounter and knew exactly how to turn me on and bring me to a stunning climax - twice. It felt great to be intimate with her and I am looking forward to seeing her again.
