The Premises:

The first floor flat is located next door to an Indian restaurant in Covent Garden. It is very sparse inside, but functional.

The Lady:

An Indian Auntie, maybe in her 30s, dress size 12 with a 34D bust.

The Story:

A very good session which consisted of covered oral, sex in two positions, her on top and missionary. She was larger in body size than I prefer, but she does have large boobs which I enjoyed fondling so much so that I came over them as a finale.
