### The Premises:

Enough said about the Retreat, an establishment good in all ways.

### The Lady:

Body is absolutely perfect: tall, slim, great boobs (not real but who cares?). Supermodel-type. Extremely sexy.

### The Story:

I wanted some sensual tie and tease, and boy she did deliver. 10 out of 10. If this is what you're looking for, choose her and you won't be mistaken. She felt me absolutely right and did exactly what I wanted without specific directions.

Also, Lisa has a very friendly personality, she puts you at ease in one second. She is smart if I understand anything about people at all.

Great body, personality and service - what else can a man want?

Though, if Lisa is not available you may choose Kate, she provides exceptional sensual tie and tease as well (though Lisa is more sexy I think).
