The Story:

What I'm looking for in Retreat is sensual tie and tease. From my experience with Alex, it seems like it's not 100% her thing. In fact it was not bad, she tried and followed my directions precisely, I can't blame her. However she didn't quite feel what I want, I had to give specific directions during the process, and the performance was not 100% as I wanted. Maybe it's just that she didn't catch my wave, and for others it will be better. However having experiences with Lisa and Kate, there's really a big difference. I would recommend Lisa or Kate for this type of thing, instead of Alex. Sorry to say that - just feel the need to warn the fellow punters out there :-). Needless to say, for other types of services she might be great, I don't know. Keep in mind my recommendation is only for the type of service I mentioned above.
