### The Premises:

Nice apartment across from the Natural History Museum

### The Lady:

Very beautiful. Pictures are accurate. Wonderful full natural breasts, slim waist and long legs.

### The Story:

A bit more "conservative" than other girls, but still when a girl that beautiful takes your cock in her mouth and starts blowing away with dedication, it's a sight to behold. Responsive to DATY and ready to be taken in any position (I flipped her around a few times and she was always up for it). A really nice girl.
