The Premises:

This was a block of flats on the main road. The flats are very nice and not your usual estate. You gained entry via the entry phone. Inside the flat is quite large but the room a bit small and cluttered. Still clean though.

The Lady:

A mature thai lady with quite large boobs (d or dd) and she is about 5'6 with long black hair.

The Story:

I went for my usual massage, oral and sex. The massage was good and firm. The bed was a bit too soft, so it did not make for the best experience. The oral was short, uncovered but very good. The sex was great and she offered 2 positions but I was happy with one. I got some kissing too. After I came I got a little extra massage.

I had a good time. She is a very nice lady who tried to please, so please treat her well.
