The Premises:

A ground floor flat in an apartment block behind Staples. Very quiet at that time of night, discrete and loads of parking spaces. Very clean and tidy smallish flat. The maid opened the door and I was offered a shower which I accepted.

The Lady:

Very curvy, petite lady with the best enhanced tits I have ever seen and amazing Brazilian arse. Obviously the photos on website are touched up but she had an incredible body and pretty face.

The Story:

She was very friendly and smiley lady. We started with DFK, watching myself kissing her and grabbing her amazing arse in the mirror was awesome. Then moved onto the bed where she removed her sexy black underware to reveal fantastic enhanced tits, where she gave me very nice owo and a bit of tit fucking. We then lay on the bed just kissing and fondling. On with the condom and into quick cowgirl, from behind and then into mish with her legs right back. I finished fucking her tits with her kneeling in front of me watching her amazing arse and pussy in the mirror. I usually prefer a PSE but this was a very good GFE with an incredible looking lady. I highly recommend her and at a great price you won't be disappointed. I will return and have a two girl with Jade and the other Brazilian girl there.
