The Premises:

A five-star location not far from Gloucester Road tube station. Usual House of Divine top quality standards everywhere.

The Lady:

Jade is a petite young lady with the most perfect figure. Jade is very pretty and has lovely silky black hair and the most beautiful smile to go along with those lovely breasts. Besides being beautiful, Jade is very friendly and sweet natured.

The Story:

I had been planning to see Jade for quite some time, especially in view of her excellent field reports.

I was already very excited as I rang the doorbell. My excitement was further heightened after I was welcomed in by the gorgeous Sally, who was the maid for the day. Sally immediately recognised me and gave me a hug and a soft kiss after I walked in.

I was already in the main bedroom when Jade arrived wearing a very sexy outfit. The moment I laid my eyes on this lovely girl, I became instantly aroused.

Within moments of exchanging our initial greetings with some basic introductions, Jade and I were together like girlfriend and boyfriend.

A lot has been said about Jade in so many reports, and I fully agree with all the positive reviews she has had so far. I don't think Jade can ever get a negative review.

My time with Jade consisted of high quality GFE that included plenty of passionate kissing (more tongue than lips) and all the elements that make a good GFE.

Jade is not a noisy lover, but that doesn't mean she doesn't enjoy in bed.

I must add that the main event with Jade was very enjoyable because being so young, she is very

tight down below.

Just as I was finishing, Sally came to see me off, whilst Jade was still with me. I told Jade that she was lovely and that the only thing better than her was Sally and her together. What a combination that would be!

This was another top class punt with another quality lady.

I hope to return soon.
