The Story:

I originally saw Allegra with Babylon Girls but she is no longer on the website. Allegra's English is passable and post some small talk she went in for a kiss. After undressing her I was a bit dissappointed as her online pics didn't live upto the actual person as she had some baby fat around the tummy. Allegra provided some wonderful OWO with DT after which we proceeded to fairly vigorous sex in various positions. After a break it was a repeat. I didn't click with Allegra and will therefore not repeat. However, I would recommend.
