The Premises:

Nice enough basement flat close to edgware road. Though entrance is through the main door to apartment block and I ran into her neighbours emerging from the stairs which was a bit awkward.

The Lady:

Super cute lady with long blonde hair and a flawless body.

The Story:

I have seen Sherry (Sheyla or Sheila on some other websites) a few years back though she claims she is new to the business (they all do). I had fond memories of that encounter and was not dissatisfied as Sherry still has a flawless figure. Very cute in person with long blond hair - the pictures are accurate.

After some chit chat she only allowed kissing on the lips with no tongue. Proceeded to give a mediocre owo during which she was constantly using tissues to clean and spit. Sex was decent though she lacked energy on top. I was tired from the night before and just had a massage rather than engage in a 2nd round. Also I should mention that Sherry interrupted the session repeatedly to answer her phone.

I would however recommend as for this price the sheer beauty of the lady is almost worth the amount. I also would return as I feel I was building a rapport with her and the next encounter could possibly be more enjoyable.
