The Premises:

Earls Court so busy and very safe. The flat is very comfy with a shower available, very hot water.

The Lady:

This woman is very beautiful. Her skin the classical porcelain and hair that is long wavy and black. She is well proportioned with her breasts being very erotic.

The Story:

Mitisuki speaks excellent English. She is skilled in the arts of the bedroom and she was able to make me cum twice in the hour. She can use her body to excite and in her own words she likes 'hard cock'. She is on tour from Japan so when she is gone she is gone. I wish I could spend her remaining days between her legs. Dreams dreams.
