The Premises:

2 minute walk from the station, very easy to find. Standard apartment, buzz on the street and announce yourself and up you pop. Flat is on the second floor was in good nick, was clean and well kept.

The Lady:

Tara is almost like the agency photos with one major omission she has removed the implants, so she is natural now.

Very pretty with stunning eyes, lovely tan and about size 10 / 12 (UK) figure.

The Story:

Tara let me in and did our introductions, she was wearing a lovely fine knit wool dress.

She removed my jacket and hung it up turned around and gave me a full on DFK, like wow I knew this may turn into a good meeting. For the next 2 hrs all services offered including a nice relaxing massage with a glass of champagne.

This was the first time I had used the agency and they were great, prompt with texting the address when I made the booking and confirming the following day.
