The Lady:

If you have seen Billie's pics on her profile then you will not be surprised as she has a gorgeous figure but what you also get in person is her silky smooth skin, a truly beautiful face and sexy mouth. A real head turner.

The Story:

Billie had been recommended by the maid Lottie who has never let me down before and certainly didn't on this occasion.

Billie has a presence about her. True she has a gorgeous figure but additionally her eyes and a real sexy voice draws you in towards her and to forgetting about anything else other than wanting to be with her.

She started off undressing me and giving me some sensuous kissing before moving towards a tie and tease which I had requested. It was a real classy porn star experience if there is such a thing. Whatever you want to call it she pushed all the right buttons for me. She really put her heart and soul into the 1 hour session which overran slightly although that didn't bother her.

Annabellas has another star who I hope doesn't fade away and is available for a long time. Just in case I will back soon to enjoy more time with her.
