The Lady:

Mina is from Singapore - Chinese. Said she was 22 but could have been a few years older. About 5' tall, slim, small breasts like most Chinese women. She had very long black hair which she did not liked to be stroked.

The Story:

Started with massage as usual - asked soft or firm so went for firm. This was mostly pressure on the spine, shoulders etc Was chatting with her, her English was not that good. Turned over and as she was over me started sucking and licking her nipples. She was enjoying this so went down on her and afetr a few minutes she came. Then some owo on me and then into mish for about ten minutes. I was enjoying it so much I forgot to ask for doggy. When I came she asked me to go down on her again, first time I'd been asked that, and she came again.
