### The Premises:

Great clean flat you know the score

### The Lady:

WoW with more WOW billie walked in and my jaw dropped fit tanned and great curves

### The Story:

We stood in front of the mirror and sorted out finance then the fun began, slowly billie undressed we all the while kissing me full on!

I popped those perfect boobs out from her corset and we moved towards the bed where she sat for me to lick that sweet pussy.

Boy does she taste good and loved my fingers deep in her, she grabs my fingers and took them deep in her mouth then back into her wetter pussy. After more oral she threw me back on the bed and took my now very hard cock deep in her mouth. On with the rubber and into cowgirl for a while.

Then onto her back for some very deep fucking at this point she came very very tightly round me cock. Into doggie for some more deep fucking, while kissing her back she begged me to fuck her harder! which I had no problem with! On taking my cock out she span round still on all fours and helped me to cum over her face.

Boys this lady is one of the best escorts ive seen and ive seen many of those in MK

Billie thank you I will return for more next time may even take you up on the four hour stint! x
